

Travel and accommodation tips

Dear athletes and coaches,

These tips should help you to get to our meeting quickly and safely and have a pleasant stay in our city. Košice is the 2nd largest city in Slovakia and it has almost 250K athletics fans (ok... not that many 😊) but that's how many people live here. In athletics perspective every year our city hosts second oldest marathon in the world. [Kosice Peace Marathon](#) with 12K runners cruising around the city center is quite spectacular experience.

HOW TO GET TO KOŠICE?

The most strategic airports close to our city are Budapest(265km), Krakow(266km), Warsaw(530km) and Vienna(500km). Good news is that we have an international airport in the city, bad news is that there are not many connections. Also in our capital Bratislava(430km) there is an international airport. After your arrival to one of these airports is the best option to book a transfer from the airport to our city.

DIRECT FLIGHTS TO KOŠICE

For those who are lucky to have a direct connection to Košice we have prepared simple list of the airlines which are flying to our city.
